Summary of Legislation: This bill authorizes the Indiana Utility Regulatory Commission (IURC) to delegate authority to its staff to grant certain requests concerning telephone numbers. It provides that actions taken by the staff are appealable to the IURC. The bill specifies the information that the IURC may require certain communications service providers to include in applications for certificates of territorial authority. It also provides that the IURC may not require a video service provider to disclose identifying information at certain levels of specificity. It grants jurisdiction to resolve certain matters concerning video service franchises to the IURC rather than a court with jurisdiction.

Effective Date: July 1, 2011.
